

ENTSO-E Cookie Notice

Dear visitor, with this notice, we would like to inform you on how ENTSO-E uses cookies on this website to deliver you a better browsing experience.

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

We only use **necessary cookies** to make our website work. These are technically essential cookies, which enable core functionalities such as security, network management, and accessibility. These cookies will be stored on your device by default. You may disable these by changing your browser settings, but this may affect how the website functions.

The table below explains in detail the cookies we use and their purposes.

COOKIE	TYPE	NAME	PURPOSE
Welcome Page	Necessary Cookie	emfip-welcome	This persistent cookie is saved when the 'I Agree' button on the Welcome page modal window is clicked on transparency.entsoe.eu. This cookie expires in 1 year.
Session Context Cookies	Necessary Cookie	SESSION, JSESSIONID, currentUrl, Filter time_zone Filter date_time Filter date_time_end	These cookies are used to handle basic functions of the system like authentication, filtering and other context information needed for proper function. These cookies are stored only during session and deleted after leaving website.

How do I change my cookie settings?

Most web browsers allow some control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.aboutcookies.org or www.allaboutcookies.org.
